ANOTHER WONDERFUL WEEK!

Our Kindergarten team feels as though we have hit the jackpot this year. We feel so lucky to be working with such a wonderful group of students. Here is your weekly update!

New Drop-Off Procedures

To help our Kindies to feel secure and keep them safe the new drop off location for them each morning will be the Kindergarten yard. A Kindergarten Teacher will be on duty in the Kindergarten yard from 8:30am-8:45am each morning. Please ensure you have your child's health pass when you drop them off at this time. During drop-off it has now been mandated by the TDSB to wear masks on TDSB property. Thank you for your cooperation with this!

Classroom Donations

If you are able to contribute, the following items would be greatly appreciated for our classroom this week. Please sign your name next to the item in the google.doc. Thank you so much in advance!

Learning Review

Last week our Letter of the Week was A and the word family of the week was the -at family. Checkout how well your child learned these letter sounds and rhyming words by singing along with them to the following songs:

This week our **Letter of the Week** is the letter **B** and our **Word Family of the Week** is **-am**. Have fun practising these language activities at home in our interactive bitmoji classroom.
