A WONDERFUL WEEK!

Thank You!

Our Kindie Team had the most wonderful week with your children. We are so thankful for all the work you have done with them to prepare them for this new chapter of school where routines and social distancing practises are in place.

Being On Time

As the Kindergarten students need to clear out of the way to allow the older cohorts to enter in a socially distanced manner, **please be on time each morning**. This is not only about easing the transition for our individual classroom, it is for the consideration of our entire school community. Please help us make socially distanced entrances smoother. Drop off is **8:45am sharp** and pickup is at **3:10pm**.

Classroom Donations

If you are able to contribute, the following items would be greatly appreciated for our classroom this week. Please sign your name next to the item in the google.doc.
